ABSTRAK

Vidya Melinda Djunaidi 2020 Analisis Implementasi Cooperative Learning Tipe Jigsaw Pada Mata Pelajaran PKN Di Madrasah Ibtidaiyah Muhammadiyah Al-Munawarah Kecamatan Kabila Kabupaten Bonebolango Program Studi Pendidikan Guru Sekolah Dasar, Fakultas Keguruan Dan Ilmu Pendidikan Universitas Muhammadiyah Gorontalo. Pembimbing (I) Lia Nurhayati. (II) Thamrin A.Kum.

Penelitian ini bertujuan untuk mengetahui analisis implementasi cooperative learning tipe jigsaw pada mata pelajaran PKN. Penelitian ini menggunakan metode kualitatif dengan teknik pengumpulan data Observasi, wawancara, dan dokumentasi dari sumber data primer dan sekunder. Hasil penelitian ini menunjukan bahwa proses pembelajaran pendidikan pancasila kewarganegaraan (PPKN) telah mengalami perubahan yang menjadikan siswa lebih berorientasi dengan model pembelajaran cooperative tipe jigsaw. Penelitian ini direkomendasikan pada penelitian selanjutnya lebih terfokus pada hasil penggunaan pada pembelajaran cooperative learning tipe jigsaw

Kata Kunci: Cooperative Learning,Jigsaw

ABSTRACT

Vidya Melinda Djunaidi 2020 Analysis of the Implementation of Jigsaw Cooperative Learning in PKN Subjects at the Muhammadiyah Al-Munawarah Elementary School, Kabila District, Bonebolango Regency, Elementary School Teacher Education Study Program, Faculty of Teacher Training and Education, Muhammadiyah University of Gorontalo. Advisor (I) Lia Nurhayati. (II) Thamrin A. Kum.

This study aims to determine the analysis of the implementation of jigsaw cooperative learning in PKN subjects. This study uses a qualitative method with data collection techniques of Observation, interviews, and documentation from primary and secondary data sources. The results of this study indicate that the learning process of Pancasila citizenship education (PPKN) has undergone changes that make students more oriented to the jigsaw cooperative learning model. This study is recommended in further research to focus more on the results of using jigsaw cooperative learning
